

Amendments to the Specification

Please replace paragraph [0048] on page 14 of the specification with the following amended paragraph:

[0048] Cooking elements 3', 4', 5' can be inverted to occupy a storage position on pedestal [[8]] 8'. Lower cooking element 3' is then inverted on base 1'. Peripheral lateral wall 35' of cooking element 3' then envelops at least partially pedestal 8' of the steam cooker.
